

Mythical Dragon Art

A mythical dragon leads the annual Chinese New Year's Lantern Festival street procession. Missionary Kid John Sides drew this outline of the dragon.

Go to www.royalambassadors.org. Click on "Lad & Crusader Magazine Archive" button on the left hand side. Then click on "December 2001 Lad."

You'll see John Sides' finished and colored dragon art in the Table of Contents of the December 2001 Lad.

Can you color your dragon like his?
